

Dear Instructors,

British Taekwondo and Scorpion Taekwondo are proud to be working in partnership to delivery a pilot *BodyShot* competition alongside the Scorpion Taekwondo 121 Fight Day.

BodyShot is a Kyorugi competition, with no head contact. This pilot is open to British Taekwondo members aged 14 and under.

The competition is designed to introduce players to competitive Kyorugi and gain confidence in the ring against an opponent, in a positive and welcoming environment.

It is ideal for players who may have been training for a short time, who are less confident, or who don't want to compete in full contact Kyorugi, to enjoy the on-mat experience whilst feeling safe and having fun.

BodyShot will not replace any other competitions. We hope it will become another option that complements the existing 1-2-1's and Open's by encouraging more, new people to compete in Kyorugi.
