

## **Ang. Team Fight til Rødovre Cup.**

Der er tilmeldingsfrist i dag for tilmelding til Rødovre Cup. Vi ved dog, at nogle klubber har svært ved at finde et helt hold. Det er muligt at gå sammen to klubber og stille et hold, men det kræver selvfølgelig tid til at tale sammen... Man skal blot tilmelde sit hold inden fristen i dag, så kan man vente med at sende navnene på kæmperne indtil den 18. oktober, såfremt det er kæmpere, der allerede er tilmeldt individuelt, så vi har deres data liggende i systemet. Dermed har man tid til at finde den kæmper, man måske lige mangler. Navnene skal senest den 18/10 sendes pr. mail til [stævneadmin@taekwondo.dk](mailto:stævneadmin@taekwondo.dk).

Det er dog kun navnene, vi kan vente med - der er som sagt deadline for tilmelding i dag, da vi skal vide, hvor mange teams vi skal planlægge stævne for.

Venlig hilsen

Stævneadministrator/kamp, DTaF.

## **Regarding Team Fight at Rødovre Cup.**

The deadline for subscription is today. We know that some clubs have difficulties finding an entire team within the club. It is possible to merge with another club for the team fight, but that of course requires time to arrange it... If you register your team within the deadline today, you can wait until October 18 to send in the names of the team fighters as long as they are already registered for the individual tournament so we have their informations. That means you will have some extra time to find that last member of the team you need. The names shall be send by mail to [stævneadmin@taekwondo.dk](mailto:stævneadmin@taekwondo.dk) October 18 at the latest!

It is only the names we delay - you still have to make the deadline today to register the team, as we need to know the number of teams for planning the event.

Best regards,

Dorte Sørensen  
Event administrator/Kiorugy, DTaF.
